

Rio Update October 8, 2018

Greetings River Hawk Families,

Please see the attached letter regarding The *California Healthy Youth Act* of 2016 (Assembly Bill 329) which requires that sexual health education and HIV prevention education be taught to all students during their 7th grade year.

PTSA Reflections entries are due THIS WEEK, Oct. 8-11! There is a PTSA meeting at 9am on Oct. 11.

This month we started "Cell Phone Free Wednesday." We are encouraging students to put their cell phones away during brunch and lunch. The initiative is optional, but we are hoping many students join in!

Our annual 8<sup>th</sup> grade speech competition will take place Wednesday, October 17 during lunch. Students may sign up with their English teacher for more information. The Rio winner will go on to compete with other junior high school students in the district.

Quarter 1 ends next Friday, October 19. Tickets for the Halloween dance are on sale now. This week they are only \$7. The dance is from 1pm-3pm on October 31.

We appreciate all of your support!

Thank you,

*Audrey Asplund*

Principal, Rio Norte Junior High School
