

# William S. Hart Union High School District Certificated Application for the 2019 Summer School Programs

Please return to: Lorie Peci at Administrative Center by Friday, March 23, 2019 for priority hiring.  
Applications will continue to be accepted until April 27, 2019.

The rate of pay for this year's summer school is \$39.90 per hour.

**Please note that this is not an offer of employment, it is an application.**

Summer school teachers will be selected from applications received, once enrollment projections become firm. Teachers selected for summer school employment will be notified of their tentative selection by April 18th. Actual employment as a summer school teacher will occur for those classes that develop sufficient actual enrollment. Should attendance in a class decline below established minimums during the session, classes may be combined and the services of certain teachers may be terminated.

Summer school teachers will be paid by Opportunities For Learning (OFL) and will have to also complete a separate application if selected. OFL does not pay into STRS. Paid sick leave is not offered to teachers during summer school. Summer school absences will not affect your Attendance Incentive Reward Program. Due to the short duration of summer school, attendance each day of the term is expected. Please note that summer school requests for vacation are approved only for special circumstances and at the discretion of the Hart District. "Vacation" during summer school is unpaid time. If you plan to request time off during summer school, you will be required to submit a vacation request form to Tracy Glen, Summer School Coordinator at the Administrative Center, as soon as possible, but no later than June 15th, 2019.

**Plan to Attend One (1) of the Following:** A Mandatory Meeting is scheduled at Placerita JHS (5/8/2019 @ 3:30) or Saugus HS (5/9/19 @ 3:30) or Canyon HS (5/10/19 @ 3:30) to complete training and hiring paperwork. You will be compensated for two hours.
