

2017-2018 High Quality Pre-K Program

Troy ISD

The purpose of this document is provide a place to record the evidence of completion of the various goals and activities related to implementation of the Pre-K Grant. Everyone with access to this document is encouraged to add relevant content according to the following categories: Curriculum, Progress Monitoring, Teacher Qualifications, and Family Engagement. Please use bullet points and short narrative paragraphs. In addition, feel free to upload other evidence, such as pdf files of sign in sheets, fliers, parent communication logs, etc. The more the better.

Curriculum

- Used Pre-k grant funds to purchase HMH's *Big Day for Pre-K* curriculum
- Purchased Bridges math curriculum to begin using in May

Progress Monitoring

- Students will be screened with the CLI Engage assessments BOY, MOY, and EOY.
- Student identified as at-risk will be grouped for Rtl.
- Students will utilize the computer program Curiosityville which tracks student progress toward mastery of the Pre-K guidelines.

Teacher Qualifications

- All Troy ISD Pre-K teachers will need to document 30 hours of Pre-K professional development during the 2017-2018 school year. This includes hours earned during the summer of 2017. All hours must be documents in the Workshop system.
- 15 hours of pre-K development TSR in Dallas in Eduphoria

Family Engagement

- Meet the Teacher August 22nd, Open House October 3rd, Parent Conferences, Thanksgiving Luncheon November 16th, Math Night on November 14th, Dinosaur Night February 19th, PreK and Kindergarten Round-up May 1st
- Weekly newsletter
- School Dismissal program
- Remind for parents communication daily. (parents signed up at the beginning of school) School web page and School Messenger for parent communication.
- Sign up genius for field trips, parties, and invites to various nights we have planned.
- Monthly calendar in folder that explains curriculum, and all dates, parties, nights and special events we have planned for the school year.
