Happy Tuesday!

I am much happier at least seeing the sun outside! Thank you for being so supportive during these times. I did something yesterday that made me sad (and happy all at once). We sat down and played Rummy 500 as a family for the first time. Despite our circumstances, our quarantines, and our isolations, our children will remember this time for the rest of their lives. Looking back, it was an epic fail in waiting so long to play Rummy 500! And, my youngest, Bella, beat me! (Dedicated to Mrs. Yudelson - One of our incredible staff members!)

And, thanks for all of the pictures from yesterday! My inbox went from 700 to over 1000!

Please tell all the children we miss them!!!

I think it would be incredible and create a sense of community if each child in our district made a sign with an inspirational message. Then, I want you to take a picture of that sign. If you are comfortable, take a picture of the student holding the sign. Or, if you are not comfortable, please just take a picture of the sign. Mine is below. When you are done, please email Tricia Tyndorf at ttyndorf@mtps.org. Our goal is to create a slideshow to post to the district's website.

Just a few updates for today:

- **New Updates:**

- **Facilities Update:**

- As of next Monday, our buildings will significantly cut back on in-district staff. If you have a need, please contact your building principal.

- **Nursing Donations:**

- I have received a few emails asking if our district is donating our medical supplies. We absolutely are. I want to thank our staff members that are helping to support our county.

- **PaySchools:**

- Please be advised that for the time being that PaySchools will not be accepting any lunch or activity payments. We will activate the link once we return to school.

- **Special Education:**

- As of now, we have scheduled over 100 virtual IEP meetings. If you have any specific concerns, please reach out to your case manager. You can also reach our leadership team.
