## HERE IS WHAT YOU MISSED

At the FDR HS PTA meeting held on September 26, 2018, the PTA recruited a Members at Large Committee to help support ongoing events in FDR HS.

Principal Melanie Katz was a guest speaker and spoke about the status of our school it went home in all of the DOE approved languages. Stated below is the status of our building:

*“We have seen vast improvements in graduation rates and students eligible to take regents exams. We are a Focus School, due to not meeting school growth in graduation for subgroups of students, and not meeting other criteria. This was determined back in February 2016, based on previous graduation data. I've shared this at Faculty Conferences in the State of the School and with the collaborative support of the entire school community, we have addressed this. We could not be removed from the list without meeting school goals for 2 years running, although we have had dramatic improvement.”*

We are currently registering parents for Free ESL Classes. To register, text your name and cellphone number to SOZM @81010 or you can call 347-322-9148.
