

**WE REALLY NEED YOUR HELP!**  
**Education is one of the best investments you can  
make in your child's future.**

Public education is free...  
**An excellent education costs money.**

We are asking every family at BHHS to help us deliver  
a private school education for a fraction of the cost.

Please make a financial investment in your child's education  
so that we can continue to provide your student  
with the equipment and materials necessary to deliver  
our outstanding academic and enrichment programs.  
(A sample of programs supported by PTSA is listed on the back of this flyer.)

**Together we can continue to maintain and improve our academic  
excellence at Beverly Hills High School!**

We are asking each family to donate a minimum of \$500.00  
per child, but *any* amount is greatly appreciated.

Remember that your donations directly benefit the quality  
of your child's education at BHHS,  
so please be as generous as you are able.

Over the past few years, with the help of our PTSA, we have purchased more than 800 laptop computers that are now used in our English and Math departments. We have also provided computers for our Computer Science and Foreign Language classes and have added 30 computers to our library for use by all students.
