

Gateway School District

March 12, 2020

The Gateway School District has been approved by the Pennsylvania Department of Education for use of ***Flexible Instructional days***, (FID's). A Flexible Instructional Day, (FID) is a tool available to public school entities to be used as an alternate approach to delivering instruction if a circumstance arises that prevents instruction in customary manner.

If a student requires a device for instructional use off-campus, for implementation of the Flexible Instructional days, Gateway School District can assign a loaner device to help ensure students have access to the tools and resources they need. A parent/guardian must contact Gateway High School, by Wednesday, March 18, 2020 directly at the following phone numbers or email addresses to make arrangements for pick up.

Principal - Mr. Justin Stephens (412)-373-5743
