

## What is an agreement of the parents of the school?

Our annual parent compact offers ways we can work together to help our students succeed. This compact offers strategies to help connect learning in school and at home.

### Effective compacts:

- Link Academic achievement goals
  - Focus on student learning
  - Share strategies that staff, parents, and students can use
  - Explain how parents and teachers can communicate about student progress
  - Describe opportunities for parents to observe, volunteer, and participate in the classroom.
- Criminal background checks required by law to be allowed to participate in activities at child's school.**

## Jointly Developed

The parents, students, and staff work together and share ideas to develop the school-parent compact. Teachers met with their subject area teams to design practical strategies for parents to use at home (Example: Math, Reading/Family Nights.) Each year meetings are held to review and revise the compact. Based on the school's academic achievement goals and student needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be

collected and reviewed during the annual revision meeting with the parents.
