You are invited to attend our 'Partners in Print' literacy workshop. The event will be held Tuesday, January 22, at Milan Elementary School. Activities for students and parents will be set up in the cafeteria from 6-7 pm. You and your child will travel through four hands-on learning stations that will help develop literacy skills. Each student will go home with a new book! Light refreshments will be served and door prizes will be given away!

We are excited to announce that Milan Elementary School has been awarded \$36,000 for our 3rd annual Read to be Ready Literacy Camp in Summer, 2019!

The grant will provide 36 students in 1st-4th grades the opportunity to attend a free, month-long, literacy-focused camp this summer! This is the third year for MES to be awarded this grant! Watch for more information in May!

Call MES at 686-0840 to find out how you can help MES students!

MES teachers have been awarded 13 \$1,000 micro-grants from the Donors Choose Project through Tyson Foods! The vision of this project is to work to become 'A nation where children in every community have the tools and experiences needed for an excellent education.' Thank you, Tyson Foods!
