

8th Grade Parent Information

Dear Parents,

With the new year starting, we wanted to update you on our fundraising efforts for the 8th-grade party. We've raised half the money thus far. We are reaching out to each family to consider donating money to help offset the cost. If each family would donate a minimum of \$10.00 we could meet our goal.

Event Details:

Date: Wednesday, May 29, 2019
Location: Splash in La Mirada

What your donation covers:

Access to the water park
Food
Buses

This fun event is for all 8th-grade students and is made possible through parent and community donations. The children have a blast and create more fond memories of their time at Rancho Starbuck. They swim with their friends, enjoy refreshments and music, along with playing pool games and activities.

If you can, please send cash or check, payable to Rancho Starbuck PTA, to the office in an envelope. If you would like to make a larger donation or have a business that would like to contribute, a receipt for tax purposes can be provided.

Please complete and return the bottom portion of this form, along with your donation by Tuesday, February 26. If you have any questions, please give us a call, (562) 902-4261.

Thank you for your support,
8th Grade Party Committee
Jennifer Lutfi
