MISSION STATEMENT

INVOLVEMENT OF PARENTS

Describe how the school will involve parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of Title I programs including involvement in the decisions regarding how funds for parental involvement will be used [Sections 1116(b)(1), 1116(c)(3), and 1114(b)(2)]

The School Advisory Council (SAC) is the committee that makes decisions on parental involvement at Riverside Elementary School. These decisions include the Parental and Family Engagement Plan through the SAC Meetings. The person responsible will be SAC Chairperson, Staff Members on the SAC and the School Administrator. These meetings will be four times a year: two in the fall and two in the spring. This will be measured by the adequate progress of the School Improvement Goals and objectives, and the SAC Committee's approval of the next year's Parent and Family Engagement Plan. Riverside Elementary School follows the requirements of State Statute 1001.452 in the selection of members to serve on the SAC. Additional items the SAC will discuss, review, and revise with the input and/or feedback from parents: Review of the student/schools achievement on ELA (First meeting and also done in Title I Annual Meeting, students through reports and parent conferences); Review of student/school achievement on other benchmark assessments; i.e. I-Ready and district assessments (First Meeting and Title I Annual Meeting, each time the assessment is given); Dissemination of the School-wide Program Plan; School/District Accountability Report Card; inclusion of parents in the decisions on how to spend the schools' parental involvement allocation; review of annual parent survey on parent involvement and school culture; Notification of resources available through the State Parent Information and Resource Centers; Parents Right to Know; Notification of students receiving instruction from a non-qualified teacher after 20 consecutive days. The SAC Meeting minutes will reflect the input from parents on the above topics. The minutes from the prior meeting are approved at each meeting to ensure accuracy of meetings. Requests from parents through the SAC Meetings and other correspondence on additional topics identified in Section 1116 or strictly based on a parent's need is addressed in the SAC Meeting, when appropriate, and/or staff meetings to determine the feasibility of implementation and return on investment.

ACCESSIBILITY

Describe how the school will provide opportunities for participation in parental involvement activities for all parents (including parents with limited English proficiency, disabilities, and migratory children). Include how the school shares information related to school and parent programs, meetings, school reports, and other activities in an understandable and uniform format and to the extent practical, in a language parents can understand [Section 1116(e)(5) and 1116(f)].

Parents of students with disabilities may participate in IEP meetings, parent meetings and parental involvement activities with an ESE teacher present. The school is equipped for both parents and students with disabilities to have full access of the school, which is in compliance with ADA. Parents of ELL students are provided with an interpreter from PAEC or District ELL paraprofessionals for parent meetings. Information is translated to Spanish. All language is simplified to ensure parent understanding. Summaries and brochures are developed on many topics.
