8's Facts Quiz

Math Facts!

8 facts

Remember your child may be working on different math fact if they have already passed the 8s! This is according to the suggested pacing guide.

Homework!

*Stapled Review Packet
*No More Reading Logs!
We still encourage 60 minutes of reading per week, though! 😊

Important Reminders!

As we are in the midst of testing, please talk with your students about how they feel! Remind your children that this test is nothing to stress over and simply try his/her best! On the days that we are testing, please be sure that your child gets adequate sleep, has a good breakfast, and is on time to school!
