

Greetings parents, guardians, and students,

Wabash City Schools will be holding a community Technology Sale on June 18th and June 19th at Wabash Middle School ([see website for details](#)). This sale is open to the public. As a benefit to our staff and students, we are offering a computer pre-sale to any staff member who has been issued a computer or any student in grades 5-12. Fifth grade was chosen as a cutoff as those students have had their computer for at least 2 years. Students and staff are only able to pre-sale purchase the computer assigned to them.

This is in no way mandatory and anyone is still able to purchase computers/iPads at the public sale. If you are interested, below is the pre-sale process.

Step 1 - Contact your student(s) Building Technician.

They will start a bill of sale and confirm the price (depending on the model, see below). You can also find the model by clicking the Apple icon in the top left of the screen and then click "About This Mac". Building technicians will give you or your student the bill of sale. This can be paper or digitally emailed.

It will be re-imaged to remove all WCS software and data.
