

## Finals Week Schedule for December 2019

Please note: The exam sequence on Friday is Periods 6,5,4 which allows the choir to travel to the Franciscan Health Center on Park Point and sing for the residents.

Thank you for taking note of the order on Friday, Dec. 20; also note symposium planning meeting and early dismissal times on Dec. 19 & Dec. 20.

Happy Holidays!

## **2:00-4:30p Make up time**

**What is make-up time for?**

**-Students needing to make up a final exam should stay during this time with their teacher.**

**-Students working with their teachers to do homework, quizzes, tests, extra credit should stay during this time with their teacher.**

**-Parents- If, after checking with your student, you are still unsure if your student needs either of the two options above, we encourage you to contact the teacher to find out.**

**-Students not working with teachers on tests or on course work completion are allowed to leave school at the beginning of the make up time- 2pm.**

**There are no organized classrooms or events for students; students will be required to leave the building.**

**Students not working with teachers on tests or on course work completion are allowed to leave school at the beginning of the make up time- 1:40pm**

**There are no organized classrooms or events for students; students will be required to leave the building by 1:40pm if not working directly with their teachers.**

**Happy Holidays!**
