

The purpose of the law that gives siblings/immediate family (as defined in our charter) enrollment preference is to prevent parents of currently enrolled students from having to drive a second middle school. So therefore, we offer the first spaces to the immediate family of currently enrolled students.

**We have 5 open spaces in 8th grade (Class of 2020) next school year.  
We are required to have a lottery since there were 6 applicants.**

8th grade Accepted	Sibling Preference Still Applies	Initials & # on Receipt
