

**STATE OF TEXAS
OFFICE OF THE GOVERNOR**

In Texas, we place immense value on our youth, for they are the future of our state and nation. In order for them to fulfill their potential, we must ensure that each and every young Texan receives a challenging, well-rounded education. Every day, human resources professionals across Texas greatly contribute to ensuring students receive the highest quality of education possible.

There is no limit to what students can accomplish when they are immersed in an educational environment that is rich in achievement and composed of skilled teachers and school staff. Human resources professionals help create these fundamental surroundings for students by executing effective practices for hiring high quality staff and providing other various and much needed services to students, teachers and administrators.

At this time, I encourage all Texans to join in celebrating the many contributions of human resources professionals and to learn more about how they support our educational system by continually evolving their strategies for success and taking on new challenges.

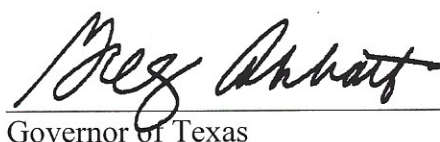

Therefore, I, Greg Abbott, Governor of Texas, do hereby proclaim
October 9, 2019, to be

Texas Education Human Resources Day

and urge the appropriate
recognition whereof.

In official recognition whereof,
I hereby affix my signature this the
11th day of September, 2019.

Governor of Texas
