

Academic Pentathlon Team Honored with Governor's Proclamation

Fayette County's first Academic Pentathlon team was honored with a proclamation from the governor for the successes they achieved during their first year of competition. With no prior experience in the realm of this competition, the FCPS Academic Pentathlon team ranked first in the nation in their first regional competition, were the 2018 Tennessee state champions, and placed fourth and fifth at the national competition among U.S. teams. Congratulations to these outstanding students and their academic accomplishments.

Summer Feeding Program Underway

School is out but the work continues! The Fayette County Public Schools Summer Feeding Program is underway and staff members are working hard to ensure that children across Fayette County do not go hungry this summer. Both breakfast and lunch are served at several locations across the district through The Lunchbox, our summer feeding bus. For more information on summer feeding sites, call FCPS School Nutrition Director Dasie Gilcrest at 901-465-5267.

Summer Baseball in Full Swing

Under the direction of Coach Bryon O'Brien, Fayette County Public Schools is taking high school baseball to another level. By participating in a summer league, the Wildcats are getting in more playing time and will have a much improved team come next season. The expectations for FCPS athletics have been elevated.

Collaborating to Keep Children Healthy

Health is a priority in Fayette County Public Schools because healthy children learn better and are more productive. FCPS Coordinated School Director Jackie Shields recently collaborated with LeBonheur Community Health and Wellbeing on ways to identify the health care needs of children in Fayette County.

Fayette CHIPS Sponsors Recognized

Once a year, Fayette County Public Schools attends a district leadership retreat to reflect on the past year, review any changes that may be implemented for the upcoming year, and just recharge with fellow colleagues. This leadership retreat is made possible through the generous donations of local businesses. Thank you for your continued support in growing a stronger leadership team for students and families.
