

CATHOLIC DIOCESE OF LEXINGTON

THE CATHOLIC CENTER

OFFICE OF THE BISHOP

February 26, 2018

Dear Sisters and Brothers in Christ,

Lexington Catholic High School is a vital ministry for the Diocese of Lexington as we hand on the faith, form disciples and provide an outstanding and holistic high school education. I am enthused by the vision that Lexington Catholic High School has for its future and hope that you share in that enthusiasm.

As you may well know, the school has been at its Clays Mill Road location since 1957. As we have been blessed with enrollment expansion over the years, there has been a need for expanded facilities. Now, more than ever, a capital campaign to support the student experience at Lexington Catholic is necessary. This campaign is significant for the future of Lexington Catholic and I am glad to offer my support.

Dating back to when Lexington Latin and St. Catherine Academy merged in 1951, Lexington Catholic has established a tradition of academic excellence for generations of families. The school has helped develop young men and women of faith and character who have gone on to make a difference all over the world.

This is your opportunity to help serve our mission and improve the Lexington Catholic experience for all who desire it. I am confident we can achieve the goals that are being set and ask that you join me by prayerfully considering your financial support as Lexington Catholic prepares to build a better future.

Peace and all good,

Most Reverend John Stowe, OFM Conv.
Bishop of Lexington
