

MCS Drop Off/Pick Up Zone Rules and Information

*MCS drop off/pick up procedures are structured to ensure safety for our students and families. When **keeping over 400 students safe** we need parents to commit to these procedures consistently. Thank you in advance for partnering with us on this process.*

Be sure to see the Dropoff/Pickup Map provided on the Parent Information page of our website for visual assistance.

The Basics

- Drop Off and Pick Up Zone is on First Avenue moving from East to West.
- Drop students off from 8:00 a.m to 8:25 a.m. on First Avenue between the orange cones.
- For SAFETY reasons please DO NOT DOUBLE PARK.
- Pick students up from 3:30 p.m. to 3:45 p.m.
 - Pick up on 1st Avenue is similar to the airport. Pull as far forward in the pick up area as possible and if you don't see your child as you approach then please drive around the block. Teachers on duty will be attentive to the young children who may be nervous if they don't see their parent right away. They can always wait with us until you pull back around.
 - Our teachers know that car seats and boosters take a moment and we ask for ALL to be considerate of that safety factor as well.

Student Supervision provided by MCS

- We provide supervision on 1st Avenue, Bus on 2nd Avenue, and the Quad each morning and afternoon (8-825a-330-345p).
- In addition to those areas, we provide morning help at the cross walk from the ward parking lot.
- Please be aware that **A Street is an unsupervised area.**
- Please use 1st Avenue ONLY to drop off and pick up students in order to ensure proper supervision is provided.
- *ALL students on MCS campus not in custody of a parent or guardian at 3:45 p.m. will be taken to MCS Extended Care.*

Buses

MCS buses will make their arrival on and departure from 2nd Avenue.

We highly recommend registering your student for MCS School Bus Service.

Please call or email if you see any issues or have concerns 801-535-6628 or email @ slcparking@slcgov.com
