PARENTS (K-12TH GRADES): HOW TO CREATE AN OBSERVER ACCOUNT IN CANVAS

1. Go to https://unionacademy.instructure.com/login/canvas

2. Click on the top right link “Parent of a Canvas user? Click here to create an account.”

3. Complete the information using the parent’s name and email. Secure the pairing code from the student. Accept the terms and click START PARTICIPATING.
4. Click here for student instructions on pairing with the observer.

5. You will then be logged into your student’s Canvas account as an observer.

*If you have more than one student to observe, please click here for instructions on how to add additional students.

6. For assistance on what you can access and how to maneuver through, please click here for the Canvas Observer Guide.

*Canvas also has an app for iPhones and Androids (Called Canvas Parent)

If you have any difficulties creating the account, you can email Mrs. Stewart (Chief Technology Officer) at kstewart@unionacademy.org
