Special Education Teacher  
Medical Lake Middle School  
Beginning the 2020/2021 school year

Posting Date:  
Closing Date: Open Until Filled

SUMMARY OF ASSIGNMENT:
A full-time special education teaching position is available at Medical Lake Middle School. The teacher/IEP case manager will have the responsibility to assess students; conduct, develop, and implement IEP's; collect data, and progress monitor, implement behavior interventions and behavior modification programs; plan lessons and provide direct and indirect instruction; collect data, progress monitor, manage the special program and supervise paraeducators and interns; collaborate with teachers from all levels; coordinate programs; utilize technology in assessment and instruction; communicate clearly and assist students with personal/social growth; demonstrate interest in working with special needs and high risk students.

PERFORMANCE RESPONSIBILITIES:
1. Performs as a team member within the educational environment, consulting with classroom teachers, school psychologist, speech, occupational and physical therapists, other building and District staff and administration so students with IEPs are successful.  
2. Assesses students referred by teachers, special services staff, parents and administration utilizing standardized academic assessments and/or present levels of performance. 
3. Collaborates with classroom teachers to ensure research/evidence based and appropriate instructional strategies and interventions for students are implemented. 
4. Develops and modifies instructional programs to meet individual needs of students with a wide variety of instructional needs. 
5. Manages classroom so as to provide a productive learning environment. 
6. Maintains student records, which reflect progress, attendance, and compliance with special education regulations. 
7. Completes timely required state, federal and District reports including evaluations and IEPs, using IEP Online. 
8. Communicates regularly with parents, and is responsive to parental questions and concerns. 
9. Work collaboratively in professional learning communities developing common assessments, interventions, etc. 
10. Works with the Multi-Tiered System of Support (MTSS) team collaboratively to provide research-based interventions to students. 
11. Uses appropriate disciplinary procedures, establishes clear parameters for student behavior, responds properly when problems occur, and helps students towards self-discipline. 
12. Enthusiastic and displays an overall optimism toward teaching and student learning. 
13. Sets and attains high level of expectations with a commitment to using available resources so that accomplishment and growth occur.
QUALIFICATIONS:

1. Washington State teaching certificate with Special Education endorsement, preferred as well as Math Endorsement. Or one of the state/district approved options/pathways for special education endorsement. WAC 392-172A-02090 – personnel qualifications.

2. Public school or related experience with special needs students, behavior intervention preferred.
3. Trained in Right Response and First Aid or will be required to obtain
4. Trained in IEP online or will be required.
5. Direct instruction experience or will be required to obtain training
