

2019 ADAIRSVILLE PINK-OUT

For the past 11 years Adairsville Middle School has been actively involved in raising money for local families affected by cancer. Each year our culminating event has been the creation of a human picture on our football field. With the help of AMS students, elementary school students, high school students, parents, and community members we have made pink ribbons and spelled out the words faith, hope, cure, brave, and love. Each year we also honor cancer survivors with a survivor lap around the football field while students cheer them on. This “pink-out” day at AMS has grown into a community event and receives coverage from Fox 5 and 11-Alive news, as well as local news media. I am sure you have seen us on the news.

This year’s Pink Out will be held on Friday, October 4th on the AHS football field around 9am. The theme for this year is “STRONG”. We are planning to do a field formation, have members of the AMS chorus sing an inspirational song, and end with the survivor lap around the track.

Every year we sell Pink Out t-shirts to our school as well as all our feeder schools. Last year we sold around 1000 Pink Out t-shirts, and hope to sell that many this year. We are asking for sponsors for the Pink Out shirt this year. Your business/name will be on the back of the t-shirt. Just imagine your business/name on over 1000 shirts! If you are interested in being a sponsor, please call or email Christy Ridley or stop by the front office at AMS.

Thank-you for giving your attention to this request and helping Adairsville Middle School put on this first-class event, and ultimately helping us raise money for such a worthy cause.

Thank-you in advance for your help,

Adairsville Middle School
