Committee	Notes
ILT	Committee met on Nov. 17th. Dr. DeAmicis shared that we are using guest teachers on wednesdays to make sure teachers are going into another classroom. Last year it was an option, it is now required. This includes upper grades. Teachers have the opportunity to see how everyone works. Principals will also visit each other's sites. Overall, it gives district a look at what is common in the school, what is not common?
ELAC/DELAC	Committee will meet next week. ELAC would like tutors to be available after school. Dr. DeAmicis shared we have hired a paraprofessional to work with approximately seven students in the mornings. The teacher is still in the room able to give input. Dishone discussed how it works, adding that the one on one is working. Dishone personally volunteers in Ms. Teague's room and has seen student results go up. Fabio shared experience of 29 students showing up for her 6th grade tutoring class.
