November 15, 2018

Dear St. Elizabeth Families,

I am pleased to announce we will be offering extra help in math beginning the week of 11/26 for students in grades 4-8. The schedule below indicates the day, date and grade level that will be offered extra help. Ms. Glotzbier will be running the program and it will be held in the 7th grade classroom.

The program will run from 2:30-3:30 PM on the designated days. Students should be picked up in the lobby at 3:30. Students not picked up on time will be sent to aftercare. If students cause a distraction or misbehave they will not be able to attend tutoring as this is a service to our students, not a requirement.

Any questions should be forwarded to Ms. Glotzbier at jglotzbier@sainte-school.org.

Sincerely,

Karen A. Lewis
