

Bison Update

November 13, 2018

Summit Academy Bluffdale

Principal's Message

I would like to begin this week's message by celebrating with you our Summit Academy High School's Football championship. They competed for the 3A State Championship title last Friday night and won 55-18 against North Sanpete High School. We hope this will be the first of many state championships. Congratulations!

I am sure that you have noticed that the construction on 144th South is progressing nicely. We are excited to have the paving stage of this project completed. We are appreciative of the LDS church for allowing us to use their property for loading during construction. We will need to replace this option with front door walkers once it is safe for our students to walk along 144th South. If you are currently picking up your children at the church, please make a plan for either picking them up in our loading lanes out front or having them walk and meet you off campus. We think that this change will happen in the next few weeks. We will keep you updated as the construction project comes to a close.

If you are currently picking up your children in our loading lanes, please stay in line behind the car in front of you and pull forward to your cone number as the line of cars moves forward. Please refrain from pulling around other cars in the line. We have had a few near misses. Once your child is loaded, you may then use the left pull through lane to exit the parking lot.

We are excited to see our families at STEM Night this Friday, November 16th from 6:00-8:00 pm. Volunteers are still needed to help run stations, greet families and serve dinner. Please see the link below if you would like to volunteer that night.

Mrs. Brantley

Bluffdale Calendar

November 16	STEM Night 6:00-8:00pm
November 20	School Thanksgiving celebrations: Regular School Day
November 21-23	Thanksgiving Break-NO SCHOOL

STEM Night Volunteers

We need your help to make STEM Night a success. We need volunteers to help run activities, greet families, and serve dinner. All supplies, instructions, and information will be provided. Just bring your love of helping kids and we will provide the rest.

STEM Night

Bring your family for an evening of learning on November 16th from 6pm-8pm. There will be stations with all sorts of activities for students to get excited about Science, Technology, Engineering and Math. We will also have dinner available for purchase.

Create A Parent Account NOW!

Parents, we are working on reducing our paper use by making our Intent-to-Return computerized for next year! In December, you will be asked to fill out a form online. The form states whether you intend your student to continue their education at Summit Academy. This will ensure a spot for your student for next year and it helps us know how many spots we have available for new/incoming students in the 2019-20 school year. In order to complete this you will have to have a Parent Account. See the attached flyer for directions.

Teaching Assistant/Kitchen Job Openings

Do you want to work a few hours a day while your student is in school? We have part time positions in the Classroom and the Kitchen.

Bluffdale Campus Openings: Teaching Assistant: 16 hours/week
Server: 9:30am-1:30pm
Server: 10:45am-12:45pm

Draper Campus Openings: Salad Bar: 8:00am-1:00pm
Cashier: 10:30am-12:45pm

Community Connections

November 24th Bluffdale City is holding their annual Santa and the Lights at 5:30pm. See attached flyer for details.
