

ECLC Registration Information for Website

Thank you for visiting the ECLC website to access information about preschool registration. The ECLC offers preschool programming for students aged 3 - 5 based on one of the below categories.

- **Preschool Students with Disabilities** - Parents that have concerns regarding possible disabilities should contact the ECLC office to be in touch with the child study team and to request a referral packet.
- **Tuition** - Students that live within the parameters of Freehold Township are eligible to register for the tuition based program. Tuition is \$750. per month and transportation is available at an additional cost.
- **Income Eligible** - Families with limited income may apply for consideration for tuition free preschool. Families must provide documentation to verify income for all family members in the household and eligibility is determined based on U.S. federal guidelines. Space is limited.
