Dear Parents,

It's that time of year again! Our students and teachers are preparing for end of year assessments that will begin next week. You play a vital role in helping your child give their best efforts on this important standardized test. Let's continue to work together and make your child's testing experience a positive and successful one!

Here are a few suggestions you can do to help everyday:

- Ensure your child gets a good night's sleep.
- Ensure your child arrives at school on time.
- Have your child eat a healthy breakfast at home or at school.
- Gently encourage them to do their best.

KNOW THE TEST

LEAP 2025 TESTS

Each year, students in grades 3 through high school take state tests to measure their knowledge and skills in each subject area and their readiness for the next level of study.

The LEAP 2025 tests are just one of several indicators, in combination with report cards, teacher-made tests, and classroom work, that are used to create a complete picture of a student's performance in school. The results from the tests will be used to help teachers identify when students need additional support or more challenging work in each subject area. This information is also used to measure how well schools and school systems are helping students achieve higher expectations.

FOR THE 2018-2019 SCHOOL YEAR, STUDENTS WILL TAKE THE FOLLOWING TESTS IN GRADES 3 THROUGH HIGH SCHOOL:

- ENGLISH LANGUAGE ARTS (ELA)
- MATHEMATICS
- SOCIAL STUDIES
- ALGEBRA I
- GEOMETRY
- ENGLISH I
- ENGLISH II
- BIOLOGY
- U.S. HISTORY
- SCIENCE

As we partake in Spring 2019 testing in St. John the Baptist Parish Schools, our message to students remains as it was in August, we believe in the "power of you"!

Happy Testing,
Dr. Juanita M. Hill
District Test Coordinator
