**Associate Superintendent, Educational Services and Innovative Programs**

### School Description

West High School (WHS) was established in 1965 and is located at 1200 New Stine Road, Bakersfield, California. WHS is one of eighteen comprehensive high schools in the Kern High School District (KHS) and is located in metropolitan Bakersfield in Kern County. The school is comprised of 77 permanent classrooms, a library, a 600-seat auditorium, 1 small conference room, food services area, lockers, a portable wrestling room, eating areas, and a gymnasium (1,500-seat capacity). The staff consists of a principal, two assistant principals, a dean of students, a coordinator for Title I and ELL programs, directors for athletics and activities, five counselors, 86 certificated teachers and 61 classified employees. Our certificated staff is relatively young and energetic; we believe the staff is a positive, cohesive team focused on success. Currently, the ethnic make-up of the teaching and support staff is 62% White, 22% Hispanic, 14% African-American, and 2% Asian. We are committed to powerful teaching and learning. Student success and learning is the driving force behind every decision that we make. Teachers, administrators, instructional assistants, campus security personnel, food service workers, custodians, clerical, coaches and all other staff support our school's philosophy of creating the right opportunity for every student to succeed.

Our population has changed dramatically, as the city has grown and district boundaries have been re-drawn. At one time, WHS was a neighborhood school that served the city's middle-to-upper class families. Now, the surrounding areas are comprised of a business district, a retirement residential area, apartment complexes, and several low-income and Section 8 housing developments. The current population reflects both the lower socioeconomic levels surrounding the school, as well as an at-risk population that is bussed from a significant distance. West High School serves two feeder school districts, Bakersfield City (Curran Junior High School and Sequoia Middle School) and Panama Buena Vista Union (Thompson and Actis Junior High Schools). We have a diverse student enrollment of about 2,000. Currently, the student body demographics are 68% Hispanic, 15% African-American, 11% White, 2% Asian, 2% Two or more Races, 1% Filipino and 1% other. The English Learner (EL) population represents 7.5% of our enrollment. Approximately 83% of our students are eligible for the Free or Reduced Lunch Program; this is an increase of over 53% in the last fifteen years.

West High School has been effective in developing programs to meet the needs of our diverse student population. The school meets the wide array of needs by offering programs such as Honors and Advanced Placement (AP), Gifted And Talented Education (GATE), Advancement Via Individual Determination (AVID), Career Technical Education (CTE), Project Lead the Way (PLTW), Dual Enrollment, Title I Support, English Learners, Migrant, 9th and 10th grade Intervention, Agriculture, Independent Study, Home Hospital, Kern Learn (the district's on-line learning school) and Special Education.

Specifically, the adopted Mission and Visions statements are:

#### **West High Vision Statement:**

We believe that through the creation of a results oriented culture where staff members work collaboratively to focus on student learning, all students can be academically, socially, and emotionally prepared to thrive in the 21st century.

**West High Mission Statement:**

The mission of West High School is to provide the programs and services to make it possible for all students to graduate on time with a high school diploma and prepared to succeed in the workplace or in collegiate studies.

**About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	495
Grade 10	489
Grade 11	529
Grade 12	499
<b>Total Enrollment</b>	<b>2,012</b>

2017-18 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	14.0
American Indian or Alaska Native	0.5
Asian	2.1
Filipino	0.8
Hispanic or Latino	67.3
Native Hawaiian or Pacific Islander	0.3
White	11.8
Socioeconomically Disadvantaged	86.8
English Learners	6.6
Students with Disabilities	13.3
Foster Youth	1.0

**A. Conditions of Learning****State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials			
West High School	16-17	17-18	18-19
With Full Credential	86	102	83
Without Full Credential	3	1	3
Teaching Outside Subject Area of Competence	0	0	0
Kern High School District	16-17	17-18	18-19
With Full Credential	◆	◆	1700
Without Full Credential	◆	◆	216
Teaching Outside Subject Area of Competence	◆	◆	12

Teacher Misassignments and Vacant Teacher Positions at this School			
West High School	16-17	17-18	18-19
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

\* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

All textbooks are good quality and have been purchased within the past 5 to 7 years. Every student has access to a textbook to take home. Every student has access to the instructional materials to be successful in their classes. Textbooks are adopted from the most recent state approved or local governing board approved list and the school uses a district-wide adopted textbook in English 9-12, Algebra, foundational math, Geometry, Algebra II and all science and social science courses. Textbooks are consistent with the content and cycles of the curriculum frameworks adopted by the SBE.

West High School participates in a district-wide textbook and instructional materials adoption process that includes parents, teachers and students.

No insufficiencies exist. Every student has a book to take home for each core subject. The students also have access to the same books in every core classroom.

Textbooks and Instructional Materials Year and month in which data were collected: August 2018	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption

### School Facility Conditions and Planned Improvements (Most Recent Year)

Kern High School District (KHSD) facilities are maintained in a manner that assures safety, cleanliness, and functionality. KHSD Safety Inspectors and the Maintenance and Operations Department conduct annual inspections as determined pursuant to a Facility Inspection Tool (FIT) developed and approved by the State of California, Office of Public School Construction (OPSC). The FIT evaluates a school facilities' good repair status with ratings of "good", "fair", or "poor." The instrument does not require capital enhancements beyond the standards to which the facility was designed and constructed. Improvements come from the District Maintenance and Operations budget and the school's Principal's budget. The District participates in the State School Deferred Maintenance Program for major repair and replacement of existing school building components. Typically this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and/or exterior painting and floor systems. Construction of a garden area began in Spring of 2018. Construction of a permanent wrestling room will begin in Spring of 2019.

School Facility Good Repair Status (Most Recent Year)		
Year and month in which data were collected: 8/17/2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	99.74% rating on most recent FIT with no deficiencies noted for gas leaks & sewer;' A/C unit is not working in K-3; work order will be submitted.
<b>Interior:</b> Interior Surfaces	Poor	69.05% rating on most recent FIT for interior surfaces Water stain ceiling tiles: Counseling, Computer lab, Library, RM: M-1, M-2, M-5, M-7, T-11, T-15, T-2, T-4, T-7, T-8, T-12, T-9 Y Work RM, Y-12, Y-11, Y-10, Y-14, Y-5, Y-6, W-10, W-7, W-8, W-4, K-4, K-3, Cafeteria, office, staff lounge, snack bar Ceiling tile is broke/hole: T-10, Y-18 Floor tiles are cracked: T-7, W-13 Floor tiles are cracked and bubbling throughout/rubber molding is missing on wall: Y-6 Orchestra room: carpet has waves, trip hazard Work order will be submitted, and collaboration with Asst. director of M & O on needed repairs.
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Fair	Water Stain in Light Diffuser: Room T-11, T-5, T-15 Light Panel is Loose: T-17, Y-4, Kitchen Exposed Wires/Clock Missing: Y Workroom, W-0 Outlet Cover is missing at entry: Y-16, Y-14 Outlet Cover is missing by teacher's desk: Y-17 Light diffuser is loose: Y-13, Y-11, W-9 Light diffuser is missing: K-4, B-2 Work order will be submitted
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	Girls locker room drinking fountain is not working at walkway; Work order will be submitted.

**School Facility Good Repair Status (Most Recent Year)**  
**Year and month in which data were collected: 8/17/2018**

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	Paint chipping on door: W-11, K-4 Paint chipping on wall: K-3 Work order will be submitted; Work order will be submitted.
<b>Structural:</b> Structural Damage, Roofs	Good	Water line is protruding on gallery; Work order will be submitted.
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Library: Trip Hazard to Walkway to M building M-1: Trip Hazard to Walkway M-2: Trip Hazard to Walkway M-5: Trip Hazard on cement seam T-9: Concrete has hole on walkway Girls Locker room: Trip Hazard at East entry Cafeteria: Trip Hazard /Hole in cement in most doorways Work order will be submitted.
<b>Overall Rating</b>	<b>Good</b>	

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	48.0	44.0	51.0	49.0	48.0	50.0
Math	14.0	14.0	21.0	22.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	16.2	22.9	17.4

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven				
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	496	469	94.56	44.42
Male	261	240	91.95	42.86
Female	235	229	97.45	46.08
Black or African American	65	62	95.38	30.51
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	349	334	95.70	44.83
Native Hawaiian or Pacific Islander	--	--	--	--
White	58	51	87.93	59.18
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	450	426	94.67	43.84
English Learners	74	69	93.24	15.15
Students with Disabilities	59	48	81.36	6.67
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2017-18 CAASPP Assessment Results - Mathematics**  
**Disaggregated by Student Groups, Grades Three through Eight and Eleven**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>
All Students	497	468	94.16	14.44
Male	262	244	93.13	13.81
Female	235	224	95.32	15.14
Black or African American	65	62	95.38	6.67
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	350	331	94.57	16.41
Native Hawaiian or Pacific Islander	--	--	--	--
White	58	52	89.66	7.69
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	450	425	94.44	14.22
English Learners	74	71	95.95	1.45
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018-19)

West High School staff continues to offer a wide range of opportunities for parental and community involvement. Through our School Site Council, Parent Advisories and booster organizations, we encourage parents to play a key role in the teaching/ learning process. We promote parent involvement and actively provide information and training in education programs (PIQE and Parent Project) that enhance and strengthen parent participation in their child's academic achievement. Additionally, West High supports parent involvement by sending parents to the annual CAFE conference each year. Students, parents, and other community members are invited to numerous instructional, informational, performance-based, and celebratory events throughout the school year. Staff and students actively promote parents' attendance at school events, and we do enjoy a strong base-group of parents who are readily available. We continue to investigate additional programs that will advance our goal of improving communication with parents and encouraging participation at West. West High School and the Kern High School District have implemented a Student Information System ("Synergy") that allows students and parents to have easy access to grading and other instructional information as well as electronic connection to their teachers. The Kern High School District has also implemented a new communication system, Blackboard, that allows West High to have continuous communication and parent notification on a daily basis. In 2016, West High opened the new "Parent and Family Center" that allow parents to become involved in their student's schooling. The center serves as a location to provide resources and support for parent needs such as student academic information, parent trainings at night for FAFSA, college information and ParentVue. In November 2018, West High hosted parents for "Parent Involvement Day", where parents learned about the programs that are offered to students, and were given a tour of classrooms during instructional time. Parent representatives from each school site are invited to take part in monthly District Parent Advisory Committee meetings. Meetings provide opportunities for parents to formulate and render suggestions for program modification or improvement as well as provide an arena for timely responses to these suggestions from Title I program leadership and school/district administration. District parent meetings are conducted monthly with emphasis on helping parents understand school programs, educational offerings, how to advocate for their children, and how they can become more involved in their children's education.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

West High School and the Kern High School District have comprehensive emergency and safety plans that address civil defense, disaster, school safety and crisis intervention. The district meets regularly with site administrators to coordinate school and district procedures and policies so that efforts are consistent. The school safety plan is updated yearly and site administrators attend training sessions when needed. The district also requires regular training with city and county emergency response teams. All district and site security staff members are required to attend training that specifically addresses student safety. Each site names an Emergency Response Team to implement all aspects of safety on campus. School information regarding safety plans is distributed to this team and can also be found with the Assistant Principal of Administration and the school site Police Officer. Each classroom has emergency information and evacuation maps posted. Staff and students participate in evacuation and other safety drills throughout the year. Staff reviews the safety plan and the Safety committee meets regularly with the Assistant Principal of Administration.

Date School Safety Plan last reviewed and approved: November 2018

Suspensions and Expulsions			
School	2015-16	2016-17	2017-18
Suspensions Rate	14.0	13.4	11.8
Expulsions Rate	0.0	0.1	0.1
District	2015-16	2016-17	2017-18
Suspensions Rate	10.0	9.6	8.8
Expulsions Rate	0.2	0.1	0.1
State	2015-16	2016-17	2017-18
Suspensions Rate	3.7	3.7	3.5
Expulsions Rate	0.1	0.1	0.1

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	5
Counselor (Social/Behavioral or Career Development)	2
Library Media Teacher (Librarian)	1
Library Media Services Staff (Paraprofessional)	1
Psychologist	1
Social Worker	1
Nurse	0
Speech/Language/Hearing Specialist	1
Resource Specialist (non-teaching)	.2
Other	.2
Average Number of Students per Staff Member	
Academic Counselor	339

\* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Average Class Size and Class Size Distribution (Secondary)**

Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Professional Development provided for Teachers**

In a profession with a very high attrition rate during the first two years of teaching, the Kern High School District and West High are committed to creating a workplace that is stimulating and positive for teachers and students alike. Professional development is a key aspect for the growth of our school and district. Administration encourages all teachers to participate in district workshops and inservice opportunities, as well as state and national-level conferences, which are an integral part of the broad school-wide and district-wide educational improvement plans. The goal is to improve and increase teachers' knowledge of their academic subjects and enable them to become highly qualified instructors using the information and skills made available through school partnerships, core content level meetings, and conferences. The district and/or school requires that workshops and conferences be high quality, sustained, intensive, and classroom-focused in order to have a positive and lasting impact on classroom instruction and student learning. All conferences and workshops focus on strategies for improving student academic achievement, substantially increasing the knowledge and teaching skills of instructors, or are a part of continuance in preparing teachers to meet the objectives of new Common Core State Standards based curriculum. Our staff has participated in numerous hours of staff development and professional growth activities on campus and with other schools in an effort to provide students with the opportunity to succeed. Staff development that targets instructional strategies to address under-performance, motivation and engagement is a major focus for the staff. We also seek in-service opportunities to address parent involvement and community support practices. Funding is made available for all teachers to broaden their skills through the Principal's budget as well as funding from Title I, College Readiness Block Grant, Carl Perkins, and Migrant programs.

To improve the quality of classroom instruction and focus on student learning, the West High School administrative team continues to authorize curriculum development projects that align subject matter and assessments with state and district standards. Faculty members from each subject area work to create innovative strategies to improve student learning. Extensive effort by the faculty is directed toward developing curriculum guides, common pacing calendar, common formative and summative assessments, benchmark exams, and curricular standards within each subject area. Professional Learning Communities (PLC) for each grade or subject level were established to monitor student acquisition of state standards using the Illuminate data analysis software. PLC teams, created in previous years for each core subject, meet weekly to analyze data, adjust curriculum, develop additional assessment tools, and share instructional strategies to better serve student needs. PLC teams have collaboratively designed common formative assessments that are administered by teachers throughout the year. The results of the assessments are analyzed and are ultimately what informs and adjusts instruction in the classroom. In addition, district-wide courses of study have been adopted and implemented at West High School. All teachers working within a given level are afforded the opportunity to collaborate regularly with other teachers. Summer collaboration projects are planned for each PLC. The intent is collaboration that ensures discussions and adoption of best teaching practices, implementation of standards, and ways to assess students for content mastery as well as plan intervention and enrichment strategies and materials for the next year. West High teachers have an awareness of the need to teach content and skills based curriculum that focuses on student needs and/or prior knowledge. Teachers use data to prioritize instruction, identifying the content that students must learn, creating assessments that test student knowledge, and differentiating instruction based on the results of these common assessments. As West High School has transitioned to the new Common Core State Standards, professional development has been provided to help teachers and students navigate this path. The staff and students are receiving significant data from standardized testing, and we use the data and the assessments provided by the PLC teams to measure student growth and learning. Our teachers have already begun the process of developing new assessments that better mirror the requirements that students will need to meet with these newly adopted standards. Students are also involved in this process. West High and the Kern High School District also have a focus on providing professional development for positive behavior intervention and supports for all staff. Currently, our staff is attending the following behavioral intervention trainings: Restorative Practices, Implicit Bias, Get Curious Not Furious, Social Emotional Learning 1.0, Social Emotional Learning 2.0.

Federal funds allow our teachers to participate in summer professional development and planning activities. In the summers of 2007-2009, West High teachers participated in Harvesting Teacher Brilliance (HTB), collaborating with teachers from three other schools in the district. Each summer, a keynote speaker was selected to address instructional issues affecting our schools. For example, in summer 2007, Ruby Payne's corporation, Aha!, led a session on her key work, A Framework for Understanding Poverty. In the summer of 2010, HTB was scaled back to include only West High School. The district has implemented a district wide plan, in which teachers from all schools are being trained to collaborate in Professional Learning Communities. As a result, West has modified HTB to focus on collaboration among the teachers in our own PLC teams. One of the critical needs for West is to improve achievement for underperforming sub-groups. We have examined research-based instructional practices that are effective in closing the achievement gap. One way we address the gap is to provide teacher-led in-service by our Professional Development Leaders. In addition, another key component of our school improvement action plan is the instructional component. With funding from Title I, we support a strong academic support model that includes teachers sharing best practices. In August of 2014, WHS teachers participated in HTB with a 2-day common core focus on AVID instructional strategies. In June of 2015, the majority of WHS teachers participated in an AVID training at West High, specifically addressing AVID strands requested by the staff. In 2016, the focus of HTB was on "social and emotional" learning. Over 90 certificated and classified staff members attended HTB and learned how to better support students both emotionally and socially. In 2017, the majority of WHS teachers worked with their PLC to develop and incorporate critical thinking into their lessons and units. In 2018, the majority of WHS teachers worked with their PLCs to refine common assessments and develop an

intervention system for students who are not proficient in their subject area. During the the last three school years, approximately 70 West High teachers attended the Google Apps for Education (GAPE) conference; which has enabled our teachers to integrate instructional technology into their every day teaching. The GAPE professional development opportunities have allowed teachers and students to use chromebooks, Google forms, Google Doc, Google slides and Google classroom as part of everyday instruction.

Curriculum alignment required a pedagogical shift from teacher isolation and autonomy to a culture of collaboration. The district has also sent more than 50% of our teachers to PLC training. Research on school improvement reveals that teacher collaboration is a critical component for student achievement. The first order of business is to provide time for teachers to discuss curricular issues, student academic achievement, and instructional strategies.; a major goal was the creation of common formative assessments (CFA) to help teachers assess student learning on a regular basis. These CFAs are now modeled on the Common Core Standards to help predict student performance and adjust our instruction over the course of a school year. In the summer of 2009, our staff worked to develop common formative assessments for each core course. This work continued in the summer of 2010 with PLCs, creating CFAs to be given on a weekly basis. This focus on learning has allowed our teachers to better intervene during the school day and provide needed additional instruction. In the summers of 2011, 2012, 2013, 2014, 2015, 2016, 2017 and 2018 over 80% of West High staff members have attended the AVID training to learn and concentrate on teaching strategies. AVID training models many of the Marzano strategies that are imperative to good teaching, which promotes student learning. These strategies are also very important as we continue to implement the Common Core State Standards. For the 2017-2018 school year, West High re-committed resources toward improvement of PLC work by organizing PLC pull-out days for teachers to reassess the organization of their PLCs and their impact on student learning.

#### Professional Development Days

The following displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

Annual number of school days dedicated to staff development with At Least 180 Instructional Minutes

- 2009-10: 22
- 2010-11: 28
- 2011-12: 28
- 2012-13: 28
- 2014-15: 28
- 2015-2016: 28
- 2016-2017: 29
- 2017-2018: 32
- 2018-2019: 31

FY 2016-17 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$48,347	\$50,747
Mid-Range Teacher Salary	\$69,384	\$86,127
Highest Teacher Salary	\$103,654	\$106,915
Average Principal Salary (ES)	\$0	
Average Principal Salary (MS)	\$0	\$136,636
Average Principal Salary (HS)	\$132,393	\$150,286
Superintendent Salary	\$243,483	\$238,058
Percent of District Budget		
Teacher Salaries	30.0	34.0
Administrative Salaries	4.0	5.0

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

FY 2016-17 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$8,451	\$2,249	\$6,202	\$76,228
District	◆	◆	\$8,611	\$74,546
State	◆	◆	\$7,125	\$85,815
Percent Difference: School Site/District			-32.5	-0.9
Percent Difference: School Site/ State			-65.6	-1.5

\* Cells with ◆ do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

## Types of Services Funded

- Supplemental instructional materials for ELD and SDAIE classrooms: Support & Training
- Professional development to support instructional strategies that enhance and accelerate learning
- Parent Involvement: Support
- Programmatic and compliance guidance: Support
- ELPAC and LAS Links testing and scoring: assessment
- Title IV: Community Counselors, California Healthy Kids Survey,: Training & Support
- Title V: Pursuant to each school's innovative project (Trout, etc.): Training & Support
- Title III: Literacy program, teachers, IA's, professional development, parent involvement, supplemental instructional materials, support activities: Training & Support
- EL Coordinator period and stipends: Administration
- Bilingual Technician positions: Training & Instruction
- Instructional Assistants: Training & Instruction
- Bilingual Instructional Assistants: Training & Instruction
- ELD Inservices for all EL Teachers: Training
- KHIP Presentation: Training
- Administrative Training – Instructional Leadership, Human Resources, Perkins Application, Career Paths & Budget: Support
- Site Perkins Guideline Binders: Administration
- Gender Equity & Special Population Materials & Posters – Perkins: Support
- Career Education Materials & Posters – Career Centers & Counselors – Perkins: Support
- Coordinated Trainings with Bakersfield College – subject areas – Perkins: Support
- Articulation Meetings with Bakersfield College – Perkins: Training & Support
- Work Experience Materials & Posters: Training & Support
- Staff Development Training – Cal-SAFE: Training & Support
- Title I - Literacy program, teachers, IA's, professional development, parent involvement, supplemental instructional materials, support activities, intervention and remediation: Staff, Training, Support.
- Deferred Maintenance - Maintenance and Operation.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)			
West High School	2014-15	2015-16	2016-17
Dropout Rate	8.7	12.3	8.2
Graduation Rate	87.7	83.2	88.3
Kern High School District	2014-15	2015-16	2016-17
Dropout Rate	9.0	8.4	5.7
Graduation Rate	86.9	87.3	88.9
California	2014-15	2015-16	2016-17
Dropout Rate	10.7	9.7	9.1
Graduation Rate	82.3	83.8	82.7

Career Technical Education Participation	
Measure	CTE Program Participation
Number of pupils participating in CTE	613
% of pupils completing a CTE program and earning a high school diploma	100%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100%

Courses for University of California (UC) and/or California State University (CSU) Admission	
UC/CSU Course Measure	Percent
2017-18 Students Enrolled in Courses Required for UC/CSU Admission	58.9
2016-17 Graduates Who Completed All Courses Required for UC/CSU Admission	23.3

\* Where there are student course enrollments.

2017-18 Advanced Placement Courses		
Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	♦
English	2	♦
Fine and Performing Arts	0	♦
Foreign Language	0	♦
Mathematics	1	♦
Science	0	♦
Social Science	6	♦
All courses	9	11.7

### Completion of High School Graduation Requirements

Group	Graduating Class of 2017		
	School	District	State
All Students	91.0	90.5	88.7
Black or African American	88.1	83.9	82.2
American Indian or Alaska Native	100.0	77.8	82.8
Asian	100.0	96.1	94.9
Filipino	100.0	98.3	93.5
Hispanic or Latino	91.9	90.7	86.5
Native Hawaiian/Pacific Islander	0.0	93.3	88.6
White	86.4	90.8	92.1
Two or More Races	93.8	93.3	91.2
Socioeconomically Disadvantaged	94.5	92.8	88.6
English Learners	76.2	63.5	56.7
Students with Disabilities	69.4	73.3	67.1
Foster Youth	75.0	90.1	74.1

#### Career Technical Education Programs

Over the last five years, West High has expanded the number of its Career Technical Education (CTE) programs, which has multiplied the number of pathways that students can take after graduation. Students are able to also enroll in a diverse set of set of programs which include: Computer Science and Engineering in the Project-Lead-The-Way program, Photography and Video Production pathways, Virtual Enterprise and Computer Graphics, a four year Agriculture program focused on horticulture, and a three year Energy pathway focused on solar energy. These programs are anchored within the Math, Science, Visual Arts and Business Departments, and provide students a relevant curriculum toward both career preparation and graduation.

The Kern High School District's (KHSD) 18 comprehensive high schools, 6 continuation schools, two special education career centers, Bakersfield Adult School, and Regional Occupational Center (ROC) offer a wide variety of career pathways as outlined by the California Career Technical Education Model Curriculum Standards across the 15 industry sectors.

The collaboration between KHSD's Career Technical Education (CTE) programs and the local postsecondary schools provide a coherent sequence of courses directly related to the academic and career preparation of all students for employment in current and emerging occupations. KHSD has long been a leader in CTE programs which have been recognized locally and nationally.

The ROC offers 27 capstone classes to the local high school students and supports introduction, concentration, and capstone program offerings at the comprehensive sites. The Health Careers Academy offers a sample of the CTE programs that demonstrate the collaboration between the various educational institutions. Students may take introductory and concentrator classes at their regular high school campus, attend the Nursing Assistant ROC program during their senior year and obtain state certification, sequence to the Bakersfield Adult School's Licensed Vocational Nursing program, and finish at a local college as a Registered Nurse.

A strong relationship with the Kern Community College District Collaborative has strengthened the CTE programs at the secondary and post-secondary levels. Thirteen Partnership Academies through the California Department of Education (CDE) flourish at eight comprehensive sites, providing graduates with real-world CTE pathway experiences, state and/or career certification, and work opportunities immediately upon graduation.

Follow up studies track the Carl Perkins CTE program completers with over 90% graduation rate for student participants. The KHSD CTE Advisory Committee, representing a reflection of local business and industry partners, meets annually to make recommendations for program improvement, as well as to discuss industry trends, training needs, and local industry demands for future employment.

CTE courses at KHSD comprehensive sites are increasing rapidly with a wide range of pathways being offered at the various schools. In addition, the District continues to add resources to further improve and expand CTE offerings.

Project-Lead-The-Way, a CTE program supported by Chevron and in partnership with the KHSD, specifically supports advanced Science and Engineering programs. The KHSD also supports Virtual Enterprise programs at eight of the comprehensive schools and hosts the state-wide Business Plan Competition & Tradeshow. The district receives a variety of state and federal CTE grant funding which helps many of the CTE programs at the school sites.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
