Hello Broadway Families,

It is with mixed emotions that I write to inform you that after 40 years in education I have decided to retire as of June 15, 2018. It has been my honor and privilege to be a part of the Broadway School Family these past 12 years. I have valued my time with an amazing staff that cares so much for the students they serve, for the families that have trusted me to work with their children and to the Broadway Community that supports all that we do for the benefit of our students. I am looking forward to the next chapter in my life and the adventures that await me in retirement.

I would like to introduce Lynn Hutchins to the Broadway staff as the incoming counselor. Lynn is currently a counselor in Central Valley and has chosen to become a part of the Broadway Staff. She brings a wealth of experience and knowledge to the counseling position that will benefit students and staff here at Broadway.

With Sincere gratitude Mrs. Polley
