

WELDING

Earn a Shielded Metal Welding Certificate while you're still in high school by enrolling in Moraine Valley's Dual Enrollment program. Earn a total of nine college credits after completing the required courses. This certificate will give you a step up on pursuing a career as a basic stick welder and help you master popular welding processes. Students gain skills using equipment used in professional settings and the necessary safety procedures.

**Begins August 2019
through May 2020**

**Lecture and lab sessions will be held Tuesdays and
Thursdays 1-3:15 p.m.**

Interested students must:

- Be a junior in the 2019-2020 academic year
- Attend the information session
- Have authorization from your high school to enroll in a dual credit program
- Have transportation to classes

**Information Session
Tuesday, Nov. 6, 6:30 p.m.**

**Moraine Valley Community College
Building T, Room T909**

RSVP to your high school counselor.
