NOTEWORTHY PROGRAMS

Diversity Council: Students at ELCA have the privilege of growing up in a richly diverse student population. In a focused effort to strengthen the diverse culture, an established Council on Diversity meets to discuss critical issues within the school. The council consists of parents, staff members, and students who meet on a regular basis to discuss ongoing issues and create strategies for future improvement.

Dual Enrollment: ELCA has partnered with Truett-McConnell University and Southern Crescent Technical College to offer select courses in which students can earn both high school and college credit.

ELCA World Impact: ELCA World Impact extends curriculum beyond the classroom to provide students with cultural, educational, and ministerial experiences both locally and around the world. Some of the trips offered for 2018-2019 include: China, Cuba, Honduras, Ireland, Jamaica, and Puerto Rico.

ELCA Connect: If a traditional ELCA student desires to take a class not offered within traditional ELCA curricula, they may take that class in the ELCA Connect program if approved by the Academic Dean.

Student Support Services/MERIT: (Multi-faceted Educational Resources and Instructional Technology) provides assistance to our students who have diagnosed, documented learning differences. Students who are served by the MERIT Program must be identified through a multi-faceted evaluation as exhibiting a learning difference that significantly impedes their academic progress. A current (within the last three years) comprehensive evaluation of the student's cognitive, academic achievement, social, behavioral, etc. domains must be on file at the school.
