McBee, South Carolina 29101

843-335-8251

843-335-6515 (FAX)

Dennis L. McDaniel, Principal

December 12, 2018

To 11th and 12th grade students and parents and/or guardians:

McBee High School partners with NETC (North Eastern Technical College) to offer Dual Credit courses virtually and on-line on the MHS campus. These classes will be built into their schedules. There is a wide variety of classes to choose from including English, Math, Psychology, Introduction to Religion, Solar System Astronomy, and Biological Science I.

Students have the opportunity to earn college credit while still in high school. They will receive the highest weight on the uniform grading scale for a high school credit. Grades will appear on the college and high school transcripts.

If you are interested in more information or wish to register for a class, a registration meeting is scheduled for **Tuesday, December 18, 2018 from 6:00 – 8:00 pm** in the media center. The parent and student are both recommended to be at the meeting.

If you could RSVP that would be greatly appreciated. This will assist NETC for preparation. You may RSVP to Cindy Cook at 843-335-6044 or call for additional questions.
