

STUDENT ABSENCES AND EXCUSES

JH

The Seaford Board of Education considers regular school attendance by students as essential for building good work habits and for success in school. Furthermore, the Board believes it is the responsibility of students to attend school on a regular basis. Finally, the Board believes that it is the responsibility of parents/guardians, under the law, to make every reasonable effort to have their children attend school on a regular basis.

For its part, the Board will endeavor to fulfill its responsibilities under the law as they relate to student attendance and will expect students, parents, and members of the district's staff to do likewise.
