

August 2019 Collaboration Day Summary

The TK and Kindergarten teachers did not have a Collaboration Day this month.

The first grade team completed their Mandatory Reporter training. They also planned for their upcoming Jack and the Beanstalk unit and project, and they did Back to School Night planning.

2nd grade teachers discussed the upcoming Winter Holiday Show. They also talked about the Gamelan projects that students complete during Music class. They planned an upcoming field trip to the Discovery Cube. Additionally, they discussed the Fountas and Pinnell testing letter and suggestions for rewording it. Finally, upcoming activities/projects were discussed, including Apple Day, Memory Baskets, Pumpkin Biographies, and Stone Soup.

The third grade team finalized their Lanterman House field trip plans, reviewed Back to School night presentations and Room Rep information, and finished their Mandated Reporter training.

Fourth grade teachers prepped all materials for the following week, including core literature writing materials, Language Arts work, and Back to School Night materials. The Back to School Night materials contained the first pieces of information that pertain to the upcoming Time Capsule field trip.

During their collaboration time, 5th grade teachers finalized their Back to School presentation. They also started planning for the implementation of the Stemsopes Science curriculum.

The 6th grade team collaborated about their Back to School Night team presentation and discussed where they each were with the StemScopes Science materials. They also discussed the timeline for the Pali Mountain field trip.
