

**FREE meals for  
all kids 18 and  
under!**

# Meals at Home

## For Distance Learning

Moses Lake School District in collaboration with Chartwells has developed a contactless drive through meal service which will allow students greater access to food while at home.

There's no paperwork to fill out – just visit one of 11 sites to get your child's breakfast and lunch.

We look forward to seeing you in the upcoming weeks as we serve up happy & healthy...  
at a curbside pick up location near you!

## Great Menus

We serve food kids love to eat! **Chicken Nuggets and Pizza** are just a few...

Meals will feature foods that are cooked and prepared by staff in Moses Lake kitchens. The menu will consist of classic cold items as well as popular entrees that will be chilled and served cold to be taken home and reheated. Heating instructions are provided. All meals include protein, grains, fruits, vegetables and milk.

## Curbside Meal Sites

Our locations are as follows:

Pick up times are from **11:00am to 12:00pm**

Sage Point (4000 W Peninsula Drive)

Garden Heights (707 E Nelson Road)

Knolls Vista (454 W Ridge Road)

Lakeview (780 S Clover Drive)

North (1200 W Craig Street)

Larson (700 Lindberg Lane)

Longview (9783 Apple Drive)

Midway (502 S C Street)

Peninsula (2406 W Texas)

Park Orchard (417 N Paxson Drive)

**Moses Lake High School** (803 E Sharon Ave)

## School Meals are Safe

The Centers for Disease Control and Prevention (CDC), the Food & Drug Administration (FDA) and the World Health Organization (WHO) all stress that there is no evidence COVID-19 spreads via food or food packaging. Whether meals are served in school or at a grab-and-go pick up location, school meal preparation is conducted in strict adherence with federal, state and local food safety regulations. In addition, CDC and FDA procedures are in place to protect school nutrition staff and the students they serve, including the use of Personal Protective Equipment, additional cleaning of food preparation and service areas and regular training on proper hygiene practices and food safety measures.
