September 6, 2018

Dear Families,

As you may know, each year Montour School District students are required to participate in PA State Standardized Testing. In order to prepare, we ask that you review the calendar providing the scheduled dates for testing. Please be cognizant of these dates and plan accordingly so that your child / children can be present on the day of testing.

Please review and hang on to the attached calendar. We ask that you recognize the time, effort, and energy that our teachers will be dedicating to ensure our students are adequately prepared for this year's testing. As I'm sure you would agree; preparation is essential to achieve success!

Yours in education,

Dr. Christopher Stone
Superintendent of Schools

Montour School District
