Social Distancing Protocol

As an Essential Business, the Manhattan Beach Unified School District (MBUSD) is permitted to remain open to meet the needs of residents under the “Safer at Home” Order issued by the Los Angeles County Public Health Officer as long as everyone practices social distancing and complies with MBUSD’s Social Distancing Protocol. Currently, only the District Office is open to the public.

Social Distancing

- Members of the public may only enter a district facility for essential services.
- Individuals must stay six (6) feet away from others.
- The number of individuals entering any district building must be limited to the number of people who can maintain a six (6) foot distance from each other.
- Visitors must follow tape markings that are placed six (6) feet apart in lobby/line areas.

Infection Control Precautions

- Individuals must wear a cloth face covering when accessing or providing essential services or when in contact with non-household members.
- Individuals experiencing symptoms of respiratory illness, fever, or cough are not permitted to enter district facilities.
- While some restrooms remain open to the public, use is restricted to one person at a time.

Hygiene and Sanitation

- Individuals who enter district facilities must wash their hands frequently.
- Hand sanitizer, soap and water are available in all district facilities.
- High-contact surfaces, including restrooms, are disinfected frequently.

District Employees

- In order to limit the number of people in district buildings, all employees are to work remotely unless specifically assigned to complete an essential function on site.
- Employees who are directed to come in to work to perform an essential function must follow social distancing protocols.
