

# Give Back Time to Your Employees

## Introducing ... Our Personal Concierge Service

As an enhancement to our EAP+Work/Life Program for an additional cost, employees have access to our Personal Concierge Service. Employees simply call one number for expert, individual help with a wide range of time-consuming personal tasks including travel arrangements, making reservations and planning events. Having our experts handle these issues helps your employees better focus on their work, reduces stress and promotes better work/life balance!

### Our Concierge Experts Will Take Care Of It!

- Restaurant reservations
- Party/event planning
- Sporting events
- Ticketing
- Travel research and bookings
- ...And more!

### A Benefit with Benefits

- Reduce stress, presenteeism, improve productivity
- Increase employee satisfaction, retention
- Save costs

### Find out more about this valuable service!

Call your Health Advocate Sales Vice President or Account Manager for more information.
