College Representative Visit

An admissions representative from Massachusetts College of Pharmacy & Health Sciences will be on campus during Tutorial on Thursday. The college offers more than 40 health care programs, including Pharmacy, Nursing, Pre-Med, Physician's Assistant, and Physical Therapy. Stop by the table outside the Career Center Thursday morning to get more information.

CCR Classes

If you are enrolled in a CCR class this semester, please remember that these extended day classes will become part of your official transcript. If you need to make any changes to your CCR schedule, you must let Mrs. Kraidman know this week.

Boston Scientific is looking for 40 students who have a passion for Science, Technology, Engineering and Math to join our Bridge to the Future Program. For 9 years they have invited students who are both interested and passionate about STEM to join our program. Bridge to the Future is a unique opportunity open to African American high school students in the Hart School District. The program runs one Saturday a month from September through April on our campus located in Valencia, CA.

If you are interested in participating or would like to return for another year, see Mrs. Reynoso in the Counseling office to get the application. The application is due by **September 11, 2019**. If you know someone who would be interested in this program, please share the application with them.

All questions regarding the program can be directed to Danielle Meichtry, Program Manager at danielle.meichtry@bsci.com.

Senior Hoco Skit

If you're a senior interested in being a part of the senior skit this year, please contact any ASB student as soon as possible to be able to participate.
