

Features & Benefits

Know the features so you personalize the benefit for the customer

Classroom Rewards

Staples is partnering with parents to help Teachers earn Rewards for their classroom needs!

Teachers

Help teachers alleviate the personal spending they do to ensure their classrooms have what they need.

- Earn 5% back in Rewards from students' and parents' BTS purchases, up to \$250
- Earn \$5 automatically just for signing up
- Promote with parents with digital flier available at sign up
- Monitor earnings on your personal dashboard

Parents

Parents can help their child's teacher be ready with all the supplies they need for a successful school year, just by adding their receipt to the teacher's classroom account!

- 5% of a parent's eligible purchase can go towards their child's teachers for classroom supplies
- Parents can easily add the receipt and purchase amount to add to a teacher's classroom account
- Plus, parents can also earn their standard rewards as well by using their rewards number at the time of purchase.

Let teachers and parents know how easy it is to earn and contribute to the classroom!
