This is to advise that San Jose Charter Academy will have a Public Hearing to allow for review and testimony of the Local Control Accountability Plan (LCAP).

The LCAP is a document that sets the school's goals and financial impact of those goals over a 3 year period (2018-2021). Over the past two months, Administration has engaged in various activities that include public input related to the goals set. Community and Parents, including those with EL and SED students, have been invited to participate in surveys, prioritizing their wants and needs as they relate to education of their children. In addition, staff and students have also been surveyed

The Governing Board is required, at a regularly scheduled open public meeting, to hear testimony from the public and identify, discuss and take action on the proposed goals as they relate to the LCAP.

Any person wishing to give their input regarding the LCAP document is invited to speak during the Public Hearing Session at the Board of Directors' meeting held June 11, 2019.

Public testimony received on June 11th will be reviewed by the LCAP Advisory Committee and the Board of Directors. Any changes, if necessary, will be made and the final LCAP will be

presented for board approval at the Board of Directors' meeting held on June 18, 2019 at 4:00 p.m.
