Welcome to School

We are prepared to make it an outstanding year for all of our wonderful Preschool Students. In order to keep things rolling smoothly, please:

- Have your student bring their school bag each day.
- Remember breakfast because students aren't happy with an empty stomach.
- When dropping off and picking up, remain in your car.
- Pull to the side to buckle your student, this allows for quicker and safer loading.
- Drop off students at 8:30 for AM and 12:10 for PM. Please do not drop them off early unless they are coming with a sibling that attends the elementary.

Thank you, for being a supportive parent. Looking at your child's school work each day encourages them to do their best. Remember to ask them what they **Learned Today!!!**

We are looking forward to another wonderful year!!!
