Each year that a scholarship is awarded, it will be given to honor the legacy of an alumni of either Isle of Wight Training School/Westside High School, educator, or community person who has impacted our legacy in some way. This year we are honoring the memory of **Mr. Benjamin Franklin Turner**, a much beloved teacher and friend to the educational community of Isle of Wight County, Virginia. Write a 250-500-word essay that lists your academic goals, as well as your life's ambitions. Indicate your intention to enroll in a 2/4-year college or a vocational career training program. Writing about interests that are important to you will reveal things that we may not learn from the rest of your answers. Finally, include a statement regarding your financial need for this scholarship.
