Dear Sunny Brae Middle School School Parents and Students:

Hello, my name is Becky MacQuarrie, and I would like to introduce myself as your new middle school principal. I am so excited to join the SBMS family!

I am a Humboldt State graduate and lived in the area 30 years ago. My family and I are excited to be coming back to be a part of such an enriching community. I have over 20 years teaching and administrative experience at the middle school level. Serving families, and students, specifically this age group, is my love, my passion, and purpose in life!

I look forward to continuing to provide an excellent education for your children here at Sunny Brae Middle School, and I look forward to meeting you.

We are transitioning into a new student information, gradebook, and website program called Synergy. More information about how to access your child's information via this platform will be coming to you soon. www.sunnybraemiddleschool.org

Yours Sincerely,

Becky MacQuarrie, Ed.D
