

Turner Prekindergarten Academy

Mission Statement

Turner Prekindergarten Academy connects the home and academic world, striving to meet each individual student's physical, social, emotional and intellectual needs.

We hold high expectations and will implement best practices of teaching to foster success through developmentally-appropriate instruction that addresses state standards, individual differences and learning styles. Faculty, families and community members will work together to achieve this mission. Through this combined effort, our hope and expectations are that our students will develop a love of learning that will continue throughout their lives.

Turner Prekindergarten Academy
Where the love of learning begins...
