

# TRAFFIC SAFETY AT SOLEADO

**Student Safety is a top priority for the Soleado Staff. In order to keep the students safe, it is important that all parents understand and follow the policies below.**

- Do not drop students off at school prior to 8:15 a.m. since there is no adult supervision prior to that time. If your child arrives to school prior to 8:15 he/she should be enrolled in Kids' Corner (Fee-Based Before and After School Program). Kids' Corner information can be found on the District website.
- The school day begins at 8:30 a.m. If your child is not at school by this time, he/she will be marked tardy. Instructional time is extremely important and we want your child to be at school, on time, so that he/she does not miss valuable classroom instruction.
- Remember to follow all traffic rules. When you pick up/drop off in front of the school, be sure to follow the Stop and Drop procedure and pull all the way up so that we can fit as many cars as possible along the curb. No DOUBLE-PARKING! Remember that **children must enter and exit the passenger side of the car** when you are fully stopped at the curb and they should exit or enter right onto the curb only, carrying their backpacks. Take care when entering or exiting the driveway, as many children will be using the crosswalks. Please note that at the top of the parking lot exit there is a blind spot. This will help with the flow of traffic and with traffic congestion on the streets. **Remember that the speed limit is 5 mph in the parking lot.**
- **Please USE CROSSWALKS to cross the street safely.** Cars are unable to see small children crossing between parked cars. This can be VERY DANGEROUS!
- **Parking Lot:** The parking lot is for staff members only. Parents are encouraged to park their cars on Longhill or Flaming Arrow. No parking will be allowed along the yellow curb in the parking lot during school hours (8:00 am-3:15 pm).
- **Never**, even for a moment, park or allow a person picking up your child(ren) to **park in teacher/staff spots**. Staff often returns to campus after a meeting unable to park and return to class promptly, because a parent is parked in their spot.
- **There is no supervision after 3:05 in front of the school.**
- **Please note that there is NO SIBLING WATCH available between the primary and upper grade dismissal times.** You will need to pick up your younger child or enroll in Kids Corner, while waiting for older siblings to be dismissed.
- **NO PARKING or DROPPING OFF YOUR CHILD in the Kids' Corner Lot.** This lot is to be used for Kids' Corner employees and drop off and pick up only for Kids' Corner patrons.
- **All TK/K students will be picked up at the Flaming Arrow Gate on Mondays.**
