Principal's Message

Welcome to Del Rey Woods Elementary School, home of the the Dolphins! Nestled in the residential neighborhood of Seaside, California, Del Rey Woods Elementary is comprised of a diverse group of approximately 410 Preschool to 5th grade students, caring support staff, dedicated and talented faculty, and supportive parents and community members. At Del Rey Woods Elementary School, our vision is to foster and inspire a collaborative community of scholars, parents, and staff who are committed to academic, personal, and social excellence. In addition, all the various stakeholders strive to live by the MPUSD Way which are as follows:

- Every person matters.
- Each day counts.
- Learn something new everyday.
- Improve with purpose.
- We're better together.

Inherent in Del Rey Woods' mission and vision is the belief that all students, regardless of their background, can learn. To make this a reality, the school provides every student a safe and secure learning environment where students have equal access to a challenging and rigorous core curriculum and a variety of enrichment activities. It is an expectation for every member of the Dolphin family to be responsible, respectful, safe and on task.

Assisting the principal translate the school's vision and mission into effective practices in the classroom is a cadre of highly trained certificated and classified staff including an academic coach, speech and language pathologist, school psychologist, family services specialist, bilingual community liaison, music teacher, and a resource specialist. In addition to the regular staff, DRW employs various artists in their field of expertise to provide visual and performing arts classes to all our students throughout the year. Inspired by a culture for continuous improvement and growth mindset, our school is prepared to educate our students to be college and career ready in the 21st century.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Monterey Peninsula Unified School District held a public hearing on August 2019, and determined that the school had sufficient and good quality textbooks and instructional materials, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in August 2018 about the quality, currency, and availability of the California Common Core standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

In 2010, the Monterey Peninsula Unified School District overwhelmingly approved Measure P, a \$110 million locally-controlled school bond measure to fund the first phase of critical repairs and improvement to our local schools. The district's newest school was built in 1965, more than 50 years ago, and our Facilities Needs Assessment has identified over \$680 million in critical repairs to all MPUSD schools. Recently, in 2018, voters approved Measure I, a \$213 million school facilities bond by 70%.

Many school bond projects are underway. Visit www.mpusd.net and search for Measure I & P Dollars at Work for additional details.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

**CAASPP Test Results in ELA and Mathematics for All Students
 Grades Three through Eight and Grade Eleven**

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	45	47	39	37	50	50
Math	49	48	27	26	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in Science for All Students
 Grades Five, Eight, and Ten**

Percentage of Students Meeting or Exceeding the State Standard

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	13.1	25.0	16.7

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)

Students with Disabilities	31	29	93.55	13.79
Homeless	31	30	96.77	3.23

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community members are very supportive of the educational programs at Del Rey Woods Elementary School. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the school to ensure instructional programs and activities address various student needs. Parents are encouraged to participate on one or more of the following committees or organizations:

- School Site Council (SSC)
- English-Language Advisory Committee (ELAC)
- District English Learner Advisory Committee (DELAC)
- Parent-Teacher Association (PTA)
- School Volunteer Program

In addition to the above formal organizations, there are opportunities for parent education throughout the year. They are invited to attend Abriendo Puertas and Parenting Partners.

The SSC is a group of teachers, parents, and classified employees that works with the principal to review and update the School Plan for Student Achievement (SPSA) including proposed expenditure of funds allocated to the school. The English Learner Advisory Committee (ELAC) is responsible for advising the principal and the staff on programs and services for the English learners and the School Site Council (SSC) on the development of the School Plan for Student Achievement (SPSA). The District English Learner Advisory Committee (DELAC) meets at least four times a year. Through DELAC, parents and community members throughout MPUSD gather to provide input and review policies, procedures, and data that impact English learners and redesignated students. One time per year, DELAC celebrates Del Rey Woods' scholars who have reached English proficiency and been redesignated as English fluent and proficient. The Parent Teacher Association (PTA) is an energetic organization of parents and teachers whose function is to promote the welfare of students at school and in their homes and community. The PTA, which actively sponsors fund-raising events, provides outstanding support to our students and staff in the form of classroom instructional materials and supplies, facilities and campus improvements, staff appreciation, assemblies, and field trips. Parents, guardians, and community members are also invited to come and participate in our School Volunteer program. Interested volunteers should contact their child's teacher or call our office supervisor, Ms. Diana Lara, at (831) 392-3907.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety and well being of students and staff are high priorities for the Monterey Peninsula Unified School District and this school. Under Senate Bill 187, every school in the district is required to complete (or review and update) a School Safety Plan by March 1 of each year. The plan is reviewed and evaluated by the School Safety Planning Committee, the School Site Council, and the school principal before being presented to the Board of Education for final review and adoption. The approved plans are posted on each school's website, as well as the district website at www.mpusd.net.

Highlight's of this school's plan are detailed below.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, ALICE, and earthquake drop drills are conducted on a regular basis throughout the school year. A storage bin contains food, water, and other supplies for use during a disaster. Every classroom is equipped with an emergency kit.

The school is a closed campus. All visitors are required to sign-in at the school's office and wear a visitor's badge. Before school, during lunch, and after school, the administrator, faculty, and supervisory assistants monitor student activities and ensure safety. In the classrooms, teachers review and discuss Dolphins' Expectations and implement districtwide-adopted PBIS program. Posted around the campus are the rules and expectation for various areas. Individuals wishing to volunteer at school must complete a school volunteer application and possess a valid photo identification card.

A Comprehensive School Safety Plan is developed by the Safety Committee and reviewed annually to provide all students and staff means to ensure a safe and orderly learning environment. The School Resource Officer (SRO) also reviewed the plan. Components of the Comprehensive School Safety Plan include: child abuse reporting procedures, teacher notification of dangerous pupils procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, suspension and expulsion policies, dress code, and discipline policies. The school safety committee and district personnel evaluate the plan annually and update the plan as needed.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Teachers, instructional aides, and administrator have multiple opportunities for continuing education and professional development (PD) to improve their teaching skills and to extend their knowledge of the subjects they teach and support student learning throughout the year. The Instructional Leadership Team (ILT) composed of grade level representatives, academic coach, and principal collaborate on topics for staff and professional development. The focus of professional development in 2019-20 are divided in three areas. Educational Services partnered with sites to deliver the following PD:

A. ELA/EL Modules - 1st trimester

1. Components of Balanced Literacy, Word Work, Phonics & Language Supports
2. Interactive Read Alouds and Shared Reading
3. Independent Reading and Conferencing
4. Closed Reading

B. Math Module - 2nd trimester

1. Math Arc - Launch PD module
2. Small Group Math Differentiation
3. Student Conferencing and Goal Setting
4. Assessment and Reflection
5. Challenging Math Task

C. Science & EL Module - 3rd trimester

1. NGSS
2. Evaluate
3. Engage and Phenomenon-based Learning
4. Explore
5. Explain & Extend

In addition, the staff engages in various site PD to:

1. Examine results of i-Ready Diagnostics and Fountas and Pinnell Running Records
2. Plan next steps based on student data
3. Review ELD Standards
4. Discuss Integrated and Designated ELD
5. Learn about math number talk
6. Create scope and sequence, common assessment, and rubric for the focus writing genre.
7. Discuss effective classroom management
8. Learn about Trauma-informed practices and Equity
9. Learn about Opportunity Myth
10. Learn and refine instructional practices using Lindamood Bell (Phonics) and Do the Math for Special Education certificated staff

FY 2017-18 Teacher and Administrative Salaries

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$44,875	\$49,084

Teacher Salaries	33%	35%
Administrative Salaries	6%	6%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

A majority of funding reported as districtwide costs is expended for school level expenditures, therefore the results appear to be lower operating costs at the school site level.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

FY 2017-18 Expenditures Per Pupil and School Site Teacher Salaries
