Principal's Message:

Greetings Team Success Families:

Happy New Year!

I hope that all you enjoyed the holiday season and the time with your families and loved ones. We are looking forward to an extraordinary second semester of school. As we continue our first semester, we will continue to focus on our excellence in teaching and learning. Our goal is to ensure that every student receives top quality and remain focus. We work collaboratively as a team to create the most effective learning environment for all our students, encouraging them to be good leaders and role models. We are committed to the success of each student and hope that every student will feel connected to school through positive relationships with each other, with our top-notch faculty, and our very committed support staff.

Please also keep in mind that our students received a winter packet that needs to be returned and completed the day they come back to school, which is **January 8th, 2019**. We are looking forward to an amazing new year and let's continue to strive for a better school year.

Please make sure your child is reading and completing homework assignments each evening at home. We appreciate your support and are honored that you afford us the opportunity to work with your precious children.

Sincerely, Armando Viota

Teaching Responsibility

- ▶ Teach your child responsibility. Every child should have home chores that they are expected to complete. Allowances might be tied to completing those chores.
- ▶ When appropriate, motivate your child with rewards and consequences.
- ▶ Be understanding with your child when he or she makes a mistake. We all learn from our mistakes.
- ▶ Learning to make wise decisions comes from practice and encouragement.
