

3rd Annual Hubbard Showcase

Hubbard will host the 3rd annual Hubbard Showcase this year on Tuesday November 20. The goal of the showcase is to provide the students with the opportunity to become more familiar with the numerous clubs and sports we have at Hubbard. Many students are interested in joining clubs and sports, but they are unaware of when or where they meet. We had a good amount of clubs participate last year, and our goal for this year is to increase the amount of involvement from our numerous sports teams. The Hubbard Showcase will hopefully boost the student involvement!

Who can participate?

Any official Hubbard club with a sponsor and any sports team

What does my team or club need to do to participate?

Each club or sports team will need to either choose at least 2 representatives to introduce and inform the audience about the club or create a 2-3 Google Slides that contains:

- Meeting/practice days, time, and location
- Contact person
- Description of the club/sport
- Pictures
- Highlights from current/previous seasons or years

Each club/sport will be give 2-3 minutes maximum to present or perform. Feel free to be creative and entertain the audience!
