Kalani High Surveillance Cameras

Kalani High School has installed surveillance cameras on the outside of buildings throughout our campus. The surveillance cameras are used to provide for the safety of our staff and students and to maintain the security of our buildings and personal property. The intent of the use of the video surveillance cameras is to provide a safe environment for our student by deterring outsiders from entering out campus for inappropriate reasons and to monitor our campus for vandalism and student misconduct.

Our cameras are placed in public places, areas where there is no expectation of privacy – school entrances, hallways, exterior of buildings and other open areas on campus. The cameras are NOT placed in areas where students, staff or visitors may have a reasonable expectation of privacy – classrooms, offices, teacher workrooms, restrooms, locker rooms or other designated dressing rooms.

The surveillance cameras are just one of the ways that we use to create a safe and secure learning environment at Kalani High School. If you have any questions and/or concerns regarding our surveillance cameras, please call any of the administrative staff at 305-0500.

Congratulations

Club Information

Key Club

Key Club is a one of the longest-standing community service clubs around the world. Our members give back to the community in multiple ways such as cleaning beaches, passing out water to runners at the marathons or charity walks, packaging food at the Foodbank bonding with the elderly, helping out at elementary school fairs, playing games with children with special needs, making cards for children in the hospitals, and much more. Key Club is one of the only service clubs that often volunteers with the same club from other schools, so students get a chance to meet people and go beyond their comfort zone. Within the district, the Key Clubs also have many socials and conventions so that while the focus of the club is volunteering, students have a chance to learn social and leadership skills as well.

OIA FOOTBALL PARENT PASSES NO LONGER AVAILABLE

As a result of the realigned football schedule, each league has agreed that their respective parent passes will not be accepted at interleague games. To eliminate confusion at the gate, the OIA has eliminated the Football Parent Passes but will still offer parent passes for other sports.

STUDENT ACTIVITY CARD

As a result of the realigned football schedule that includes interleague games between the OIA and ILH each league has agreed that their respective Student Activity Card will not be accepted at interleague games. The Student Activity Card will still be honored for all OIA regular season games. The cost for the Student Activity Card is \$25.00 and is good for admission to all Kalani regular season games both home and away for football, volleyball and basketball. The student must show their Student Activity Card to receive the student admission price for interleague games. Without the card students will pay the \$7.00 general admission rate for each game.

ASET FEE

The Athletic Supply Equipment and Transportation Fee (ASET) is a one-time per school year fee assessed to student-athletes once they have been selected to the team. The fee is good for as many sports as your child is selected for within the school year. The fee is used to cover transportation costs for all sports (the amount allocated to schools by the state is not nearly enough to cover the annual transportation costs). With these funds, Kalani will provide transportation to and from all regular season and post season games. The fee will also cover airfare and ground transportation expenses if post season play is on the Neighbor Island.

The Student Activity Card will no longer be provided upon payment of the ASET Fee and must be purchased separately. The ASET Fee will be \$60.00 for the 2018 – 2019 School Year.

All student fees – grade level and athletic fees are approved annually by the School Community Council
